SUBJECT: Introduction of an Ordinance Amending the Hayward Municipal Code Relating To The Card Club Ordinance

RECOMMENDATION:

It is recommended that the City Council introduce the attached ordinance amending the card club regulations pertaining to the transfer of the operating permit.

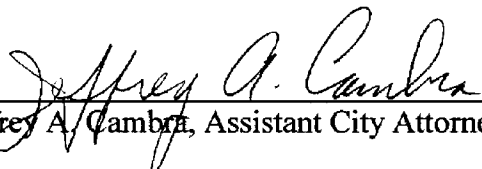

BACKGROUND:

On September 19, 2006, the Hayward City Council held a work session in order to provide direction to staff regarding the transferring of Ms. Bousson's interest in the permit to operate the Palace Card Room to her three adult children as part of an estate planning activity. Ms. Bousson also requested the Council to consider allowing the Palace Card Club to move to another location within the City of Hayward and to expand the operation from 8 tables to 12 tables at the new location.

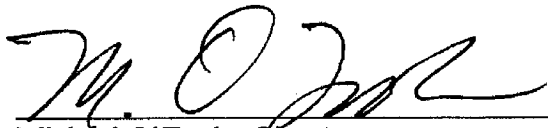

At the conclusion of the work session, Council directed staff to prepare an amendment to the Card Club Ordinance that would allow Ms. Bousson to transfer her operating permit to her three adult children – Charles Blanchard, Cathy Aganon, and Pamela Roberts. The City Manager suggested that the remaining two issues be considered in the context of a land use application should one be filed.

Staff has prepared the attached amendment that would allow Ms. Bousson to transfer her sole interest in the operating permit for the Palace Card Room to her three adult children as a non-divisible interest in the operating permit. In other words, each child has an undivided interest rather than a one third interest in the permit. The proposed amendment does not allow the subsequent transfer of any of Mr. Blanchard, Ms. Aganon, or Ms. Robert's interest to any other person or entity. If one of the children dies, the remaining children would retain the operating permit.
